

**CHRISTINE LANGFORD GOLF
&
BOWOOD GOLF & COUNTRY CLUB**

Bowood Golf & Country Club has been the home of Christine Langford Golf since 1994. Originally selected for its outstanding golf facilities Bowood has continued to develop as one of the leading golf venues in the country.

The new hotel and spa opened in May 2009 and is further testament to the proprietor's (Lord Lansdowne) commitment to excellence in the world of leisure. Queenwood Lodge, the exclusive manor within the heart of the golf course, offers a unique residential and dining experience and has been the recipient of many tourism and leisure awards since its inception in 1996.

Set in the heart of rural Wiltshire, within easy reach of London, M4 motorway, Heathrow and several regional airports and train stations, Bowood offers the very best of everything for your golfing break.

Christine Langford has established a reputation as an exceptional instructor and raconteur. Awarded Advanced Fellow of the PGA status in 2005, Chris continues to offer her clients old and new an unforgettable experience, whether it be for half an hour or for a full golfing holiday.

Many of Chris's clients come back year after year to enjoy the quality of the venues and the leisure experience that is the trade mark of Christine Langford Golf.

A former Tour player, Chris has played and understands golf at all levels. Winter golf schools and events are available at Chris's other base, Desert Springs in Almeria, Spain. For details of other Christine Langford Golf events and venues please check the website .
